**How about joining WPFW's Community Advisory Board?**

**WPFW'S CAB** reviews the station's programming goals, services provided by the station, and any significant policy decisions made by the station. The CAB is a vehicle for the community to provide input to the Local Station Board (LSB). The CAB may also assume other responsibilities as delegated by the LSB.

The CAB shall advise the LSB and the Program Director on whether or not the programming and other policies of the station are meeting the specialized education and cultural needs of the communities served by the station. The CAB may make recommendations it deems appropriate to meet those needs.
